(ii) Making the post of Member (Staff) a cadre post for IRPS.

(iii) Re-designation of the posts of Director General (Signal & Telecom) and Director General (Stores) as Member(S&T) and Member (Materials Management) and to encadre these posts for IRSSE and IRSS respectively;

(iv) Re-designation of the post of Director General (Personnel) as Director General (Safety) to be manned by officers of Services directly involved in train operations, viz, IRTS, IRSME, IRSSE, IRSEE and IRSE.

(v) The number of General (ex-Cadre) posts should be frozen at current levels (i.e. not more than 677, in any case).

(vi) Deputation Reserve at 5% of SDP will be created in each of the Services. This will be in addition to the strength indicated above in table. Since the proposed cadre strength which is approved by CRC does not include deputation reserve, same may be provided over and above the strength of various cadres.

(vii) Bunching of recruitment should be avoided such that annual direct recruitment to any Cadre is kept at 3 % of the Total Duty Posts.

(viii) While finalizing the Recruitment Rules (RRs) and giving promotions, residency periods as prescribed will be adhered to.

(ix) Assessment on continuance or phasing out of remaining 440 posts would be completed by the end of 4th year & thereafter the matter would be taken up with the Department of Expenditure (DoE) and Department of Personnel and Training (DoPT) for a decision on continuance of these posts. In accordance with the recommendations of CRC, pending decision of DoPT and DoE, no fresh incumbents would be posted on these posts and these posts would be treated as frozen.

(x) Normally additions to cadre by way of increasing the number of posts at different levels will be considered only in the course of a five year cadre review.

(xi) Attributes of Organised Group 'A' Service and general characteristics of Group'A' Service will be strictly followed. The direct recruitment at JTS level should not be less than 50% in accordance with the attributes of Organised Group 'A' Service. There should be a clear division of Group 'A' and Group 'B' post at JTS level and the list of officers at this level should be maintained separately. The existing methodology of grant of ad-hoc promotion of Group 'B' officer to Senior Scale post would be continued as an interim measure till 31.12.19 and thereafter no adhoc promotion to STS will be made.

(xii) The Cadre Review of Group 'B' and Group 'C' will be expedited.
