In BE 2019-20, the receipts target of Ministry of Railways inter-alia includes Rs. 11,575 cr under Sundry other Earnings. Achievement of the sundry earnings target is crucial for meeting the estimated revenue expenditure from railway receipts as stipulated by the Government while merging the Railway Budget with Union Budget. Your Railway's Sundry earning target in BE is Rs. 39.10 cr. As per trend to end of November 2019, your Railways' sundry earnings at Rs. 21.70 cr are short over BP by Rs. 3.56 cr. In the balance period Rs.17.40 cr remain to be achieved.

Hence concerted efforts need to be made to accelerate the pace of sundry earnings in the coming months. In this connection finalization of earnings tenders need to be expedited and monitored along with effecting recovery of pending dues. Concerned officers may be asked to pursue sundry earnings realization in mission mode and take proactive steps in identifying new areas of sundry earnings. I hope Metro Railway will leave no stone unturned to achieve the target.
