*****

No. 2004/DEV.CELL/IDEI/3 **October 07, 2013**

Director General (Wagon),
RDSO,
Manak Nagar,
LUCKNOW.

Sub: Amendment in Clause No.8.4 & 8.5.1 to RDSO Specification No. WD-29-Misc-05 for electronic In-motion weighbridges

Ref: Minutes of CME's Conference held on 18.06.2013 issued vide Board's letter no. 2013/M(L)/466/1(18) Dated 15.07.2013 (copy enclosed)

During the CME's Conference held on 18.06.2013, all the CMEs have expressed difficulty in entering into Annual Maintenance Contracts of weighbridges once the warranty and AMCs applicable at the time of purchase expires (which is 18 months of warranty from the date of dispatch or 12 months from date of commissioning whichever is earlier and 5 years of AMC from the date of expiry of warranty period).

Since the codal life of electronic in-motion weighbridge is 08 years, RDSO is advised to kindly examine the issue of extending the warranty coverage of the same upto the end of their codal life. Since sufficient operational problems in getting AMC beyond 5 years exist, it would be prudent to increase the AMC upto end of codal life.

Modifications, if any, in these specifications, consequent to resolving the above issue, may kindly be advised to all Railways and COFMOW at the earliest.

This issue with the approval of AM(ME)/Railway Board.

This may kindly be treated as most urgent.

Encl: as above.

(B.K. Jha)
Director ME (Development)
Railway Board
