References have been received from some of the field units regarding re-delegation of powers to the officers subordinate to GMs for the following activities:

i. Annual Maintenance Contract (AMC) for equipments,

ii. Diagnostic charges for repairs & repairs of machines including purchase of spares incidental to repairs.

In terms of Board's letter of even number dated 26/08/2013, General Managers may delegate powers to PHODs/DRMs in consultation with FA&CAOs to enter into AMC for equipments with authorised dealers on single tender basis as may be necessary based on local conditions. The matter has been reviewed and it has been decided now by Board that these powers may be delegated by GMs in consultation with FA&CAOs to PHODs/DRMs/SAG officers based on local functional requirement.

Further, vide letter dated 13.04.1999, referred above, monetary ceiling were fixed for expenditure towards diagnostic charges for machines and repair contract on single tender basis with OEM. In supersession of the letter dated 13/04/1999, it has now been decided to do away with prescribing monetary ceiling by Board and General Managers may re-delegate the powers to sanction expenditure towards diagnostic charges for repairs & repairs of machines including purchase of spares incidental to repairs to subordinate officers in consultation with FA&CAOs, depending upon local conditions and requirements. However, in cases where these activities are proposed to be done through OEM/authorised dealer on a single tender basis, such delegation should not be done below SAG officers.

Please acknowledge receipt.
