Government of India
Ministry of Railways
(Railway Board)

No. 2006/C&IS/WP 2007-08/AZR/UTS/10 Pt. 1 New Delhi, Dated : 22.02.2008

The General Managers,
All Indian Railways (Ex cept NWR).

Sub : Regarding procurement of system peripherals and datacom equipments for Extension of UTS on 16 Zonal Railways at 'E" category stations.

Ref : Addl. Member(C&IS)'s D.O. No. No. 2006/C&IS/WP 2007-08/AZR/UTS/10 dated 28.06.2007.

Please refer to the above quoted letter wherein mandates had been sought from the Zonal Railways to procure system peripherals and datacom equipments through Zonal Railways itself or CRIS. Replies had been received from all the Zonal Railways. Now some railways are requesting for change in the mandate given by them. In this context, it is to inform that tendering for procurement of the equipments has already been started by CRIS and at this stage change of mandate cannot be permitted as this will adversely affect timely rollout of UTS projects.

(Chhatrasal Singh)
Director(C&IS)
