No. 2019/RBCC/7/7/ISSC-CII New Delhi, dated 29.04.2022
17.05.2022

OFFICE MEMORANDUM

Sub : Critical Information Infrastructure (CII) – Assessment and Classification – reg.

The Information Security Steering Committee (ISSC) of Ministry of Railways chaired by M(O&BD), in the meeting held on 27.04.2022, has decided to classify the following IT/OT infrastructure as CII, as per IT Act 2000.

1. Passenger Reservation System
2. Freight Operations Information System
3. Electrical SCADA
4. Centralized Traffic Control/Train Management System
5. Train Collision Avoidance System - KAVACH

2 The guidelines issued by NCIIPC for protection of CII may be adopted by these systems. The respective Nodal Directorates & the concerned application groups, in consultation with NCIIPC, need to initiate the process of identification any computer resource, which directly or indirectly affects the facility of the respective CII, as "Protected System". It would be coordinated by the Information Security Group of C&IS Dte.
