RAILWAY BOARD, RAIL BHAVAN
NEW DELHI -110001

No.A-20003/2/2020-RBCC

New Delhi, Dated 10th August, 2021

Dear CISOs,

As you may be aware, the incidences of cyber security attacks have seen a significant rise in the Covid Pandemic. There also has been an enormous increase in vulnerabilities reported by various Law Enforcement Agencies, pertaining to Indian Railways. Considering the significance and the necessity for secure working in the cyber space, as also the fact that this being a directive from the Hon'ble Prime Minister of India, it is imperative that all officials and staff of IR are encouraged to attend the one day training session organized with the support of CDAC for the Officials and Staff of Indian Railways. The Railway Board's Office Order No.10 & 10A of 2021, issued with the approval of Chairman & CEO, Railway Board, contains detailed steps for registration and participation.

2. In continuation of the virtual sessions on generic Cyber Security training being organized through CDAC, the schedule for the month of August, 2021 is on **12.08.2021 18.08.2021 & 31.08.2021**. The detailed procedure to register for participation would be through https://www.infosecawareness.in/railways which has already been advised in the office orders.

3. I would, therefore, request you encourage maximum number of officials and staff to participate in the training sessions as part of the Government's National Cyber Security Strategy. Moreover, all officials and staff directly responsible in regard to cyber security, viz. CISOs office, etc., may be trained at the earliest.

With best regards,

PRITHUL KUMAR
