GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No. 2012/RBCC/5/3/Digital Certificate

August 13, 2014

The General Manager
All Indian Railways
CORE & Production Units

Director General
NAIR **Vadodara**
RDSO Lucknow

CAO
COFMOW, DMW/Patiala

Directors
All Centralized Training Institutes

Sub: Issue of Digital Signature Certificates

Ref: Letter no. 2007/RBCC/5/6/Tender Portal dated 06/06/2012

As known to this office, NIC-CA has stopped issuing digital signatures temporarily. Also the existing digital signatures, issued by NIC-CA, are not being validated in certain Internet browsers resulting in inability to use NIC-CA DSC's online for secure & authenticated transactions.

Inorder to circumvent these issues, competent authority has approved that Digital Signature Certificates may be procured from any Certification Authority approved by the Controller of Certification Authority of India.

The details of approved Certification Authorities in India can be obtained from the website of CCA of India at http://cca.gov.in/cca/index.php.
