MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.2006/C&IS/Oth/CRIS/IT Projects/Target/2 New Delhi, dated 28.11.07

The General Managers
All Indian Railways

Sub: **IMPLEMENTATION OF IT PROJECTS**

Passenger and Freight Operations on Indian Railways are poised for a sea change in respect of reporting practices and generation of MIS Reports with a number of operations related IT Applications being ready for All India rollout in the coming months. The major such Applications that have to be implemented in phases on all Zonal Railways are Control Office Application, Crew Management System and FOIS Phase-II.

2. Board (MT) has desired that in order to ensure the timely rollout of these projects, it is essential that one SAG Officer from the operating Department is nominated on each Railway for coordinating with CRIS, CAO-FOIS, other Heads of Department in Zonal Railways and Railway Board for ensuring that there is no delay in the implementation of IT Projects.

3. General Managers may, therefore, nominate the CTPM (or in case no CTPM is available) the CFTM/CPTM for the purpose. COMs must, however, personally monitor the progress and implementation of these IT Projects.
