Sub: POH overdue running of BOXN/BCN type wagons

In view of the need to have additional rakes of BOXN/BCN wagons to enhance loading, based on request received from Traffic Directorate, Board has decided to permit POH overdue running of BOXN & BCN type wagons upto 60 days against the stipulated 30 days. This is purely a temporary measure, effective immediately and upto 31st January, 2013.

All wagon maintenance depots should ensure that any overdue POH wagon which is allowed in service as per these instructions is examined carefully for safety and other rejectable defects as per IRCA Rules and Wagon Maintenance Manual and rectified fully prior to being permitted in service.

This has the approval of Board (MM).
