SUB: Retrofitment of Bogie Mounted Brake System(BMBS) in Air Brake Wagons

It has been decided that the work of retrofitment of bogie mounted brake system (BMBS) in air brake wagons, which is being executed against RSP allotments, will be carried out only in the following types of wagons.

1. BCN wagons of less than 12 years of age received in workshops for POH repairs
2. BOXN wagons which are being converted to BOXNHAM as per RDSO letter No.MW.BOXNHAM dt. 27/5/2011.
