MESSAGE

I am glad that ***'Manual for Inspection of Station Accounts'*** is being published by Finance Commercial Directorate of Railway Board. The role of Traffic Accounts is very critical and I hope that this manual will provide them necessary inputs to further strengthen their working.

I understand that manual for station inspections have either not been issued by Zonal Railways or if issued have not been updated for quite some time. This compilation which consolidates the latest guidelines covering the various aspects of TIAs working will thus fill this void.

Presently, different practices are being followed in Traffic Accounts Office across Zonal Railways for the conduct of station inspections. This manual applicable throughout the Indian Railways will put in place uniform practices.

I wish to place on record the enterprise, effort and hard work put by the officials of Finance Commercial Directorate of Railway Board and assistance of Zonal Railways in preparation of this manual. Suggestions for further improvement would be highly appreciated.

(Naresh Salecha)
Principal Executive Director (Finance)
