To

The State Apprenticeship Adviser,
to all the State Governments.

Subject:- Implementation of Apprentices Act, 1961- engagement of physically handicapped persons as apprentices.

.....

Sir,

I am directed to say that various organisations connected with the Welfare of the Physically Handicapped Persons have adversely commented regarding inadequate facilities for Apprenticeship Training to that category of people in spite of the commitment of the Government in this regard.

2. The Prime Minister in the 20-Point Economic Programme has made a special reference to the need for a fair deal to the minorities and weaker sections of the society in the engagement of apprentices and as you are aware, the physically handicapped come under one of the categories of the weaker sections of the society. While considering the extension of benefits to the weaker sections of the society in their engagement as apprentices, specific administrative instructions were issued by Government of India to provide 3% of the located seats for the physically handicapped persons. In spite of this, it is oberved that the quota of 3% of the located seats for apprentices to be utilised for the physically handicapped has not so far been achieved either in the private or State public sector or in the Central Sector establishments.

3. It may be relevant to mention here that instructions have been issued by the Ministry of Home Affairs (Department of Personnel & Administrative Reforms) to all concerned for the reservation of posts in the civil service in the category of Group 'C' and 'D' for the physically handicapped persons as detailed below:

Category of the handicapped	% of the reservation
1. Blind	1%
2. Deaf	1%

Vocational Rehabilitation Officer
Asstt. Employment Exchange
Ministry of Labour
New Delhi-110012. D.G.E.&T.)

In view of the above instructions, it is all the more imperative that the physically handicapped are provided apprenticeship training so that their employment potential ~~is enhanced~~ to enable them to aspire for all categories of posts requiring skill.

4. It is, therefore, requested that all-out efforts may be made to ensure that 3% of the ~~located~~ seats are reserved for physically handicapped persons in the engagement as apprentices. You are requested to kindly keep this Ministry informed about the action taken in the matter immediately.

Yours faithfully,
