No. E(NG)II-68AP/6

To
The General Managers,
All Indian Railways, C.L.W., D.L.W., I.C.F.

Sub:- Forwarding of applications and retention of lien of railway servants who get selected for posts in other Central Government Departments/ Autonomous Bodies etc. - effect on their leave and pensionary benefits.

Reference Railway Board's letter No.E(NG)II-68AP/6 dated 4.12.1968 under which a permanent employee or a temporary employee with more than 3 years continuous service appointed under another Central Government Department/Office has to resign from his parent department unless he reverts to that department within a period of 2 years (3 years in exceptional cases). With reference to para 2 of the above letter, the Railway Board have been considering whether such resignation should entail forfeiture of past service for purposes of leave and pension of the railway servant concerned. It has been decided that such resignation should not be deemed to be resignation within the meaning of Rule 2433-(b)-RII (CSR-418(b) for pension. As a consequence of this decision, continuity of service benefits should be allowed in the matter of leave also i.e. the railway servant on confirmation in another Central Govt. Department/Office will be allowed to carry forward the leave earned by him not only on the Railway but that earned during temporary service or probation in the Civil department before getting confirmed therein.

2. Accordingly, the incidence of leave salary and pension in such a case between the Railways and other Government Departments should be regulated in accordance with the normal rules i.e. in respect of the leave allowed to be carried forward the leave salary will be borne by the Railway Department. So far as pensionary liability is concerned, the same will be borne on service share basis. For this purpose (a) for the period for which the railway servant's lien is retained, or, where he is temporary with more than 3 years continuous service, for the period during which he has an option to revert to the Railways, he should be deemed to be on deputation to the other department; and (b) from the date he resigns from the Railways, he should be deemed to have been permanently transferred to the other department.

3. It is also clarified that the Railway servant shall continue to be governed by the leave Rules of the Railways so long as he retains the option to revert to his parent department and thereafter, i.e. in the event of his resigning from the Railways or on his confirmation in the new department, whichever is earlier, by the Leave Rules of the new department.

4. These orders will have effect from 4-12-68.

Please acknowledge receipt.
