No.7/18/76-FAS
Government of India (Bharat Sarkar)
Cabinet Secretariat/Mantrimandal Sachivalaya
Department of Personnel and Administrative Reforms
(Karmik aur Prashasanik Sudhar Vibag)

New Delhi, dated 2nd June, 1976.

To

Chief Secretaries of all State Governments
including Union Terriroties.

Subject: Assignment of Indian personnel to international organisations/foreign governments- acceptance of their resignations while serving abroad.

Sir,

It is the current policy of the Government of India that Government servants on deputation abroad, to international organisations or foreign governments, who wish to resign from service should return to India and join their parent organisations in this country before their resignations can be accepted. This has been considered necessary (i) in order that the experience the officer gains while abroad is utilised in India, (ii) to rotate our officers in assignments abroad in the interests of a wider distribution of opportunities and (iii) as a measure of control, to discourage our officers from pursuing their own private, as distinct from the national, interests while on deputation abroad.

2. This policy has been followed regularly in the case of Central Government employees. In the case of employees of State Governments and employees of various quasi-government organisations, this Department has, when seeking the release of an officer for deputation abroad, been advising both the State Governments and the officer himself of this policy. However, as instances of State Governments accepting resignations from officers abroad on foreign assignment have come to notice, it is requested that suitable general instructions may kindly be issued to all concerned including the quasi-government organisations you deal with. It will also be appreciated if copies of the instructions issued are endorsed to this Department for our information and record.

3. By way of clarification, it may be added here that the Government of India are not imposing any restriction on the right of an officer to retire voluntarily, if he is eligible to do so.

Yours faithfully,
