**Sub: Water logging in RUB/Subways.**
**Ref Board's letter of even number dated 19.12.2019 & 15.11.2021.**

Vide letter 25.11.2021, Zonal Railways were requested to identify afresh RUB/Subways where water logging was noticed leading to public inconvenience and complaints. But the information has not been furnished by any railway. It is once again requested to provide updated status of RUB/Subways having problem of water logging. Further, Zonal Railways are requested to contact local bodies to identify such locations and make all necessary arrangements to tackle problem of water logging in subways.

Few Zonal Railways have still not completed rectification works to minimize/avoid water logging. As per previous survey, all Zonal Railways should complete pending works in balance 40 subways by Feb' 2022.
