Sub.: **Procurement of Critical sub-components/ sub-assemblies of assemblies restricted to be procured from RDSO approved sources.**

Ref (i). WCR letter No. WCR/S-HQ/P-38254155 dated 04.11.2025

(ii). RDSO letter No. MW/BOGIE/PUCCSB dated 07.10.2025

Railway Board is in receipt of a representation from one of the Zonal Railways highlighting ambiguity in procurement of critical sub-components of assemblies, restricted to be procured from RDSO approved sources. Specifically, the assembly is listed on UVAM, however, the critical sub-assemblies/ sub-components are not listed on UVAM. One such example is Poly Ring (not listed on UVAM) which is a sub-component of Constant Contact Side Bearer (listed on UVAM).

2. The matter has been reviewed in Railway Board and it is clarified that the matter has already been specifically decided in the letter No. 2021/RS(G)/779/7 dated 18.01.2022. RDSO is requested to strictly comply with Railway Board letter No. 2021/RS(G)/779/7 dated 18.01.2022 and list out all the items, on UVAM, for which competition is to be restricted to vendors listed on UVAM. This shall imply that in case certain sub-components/ sub-assemblies, of assemblies listed on UVAM, are also to be procured from approved sources, such sub-components/ sub-assemblies shall also be listed on UVAM, alongwith the list of vendors approved for supply of such sub-components/ sub-assemblies.

3. This issues with the approval of Railway Board (M/TRS).
