No.2023/Sig/17-SigEquip/Maintenance **New Delhi, date 24.08.2023**

PCSTEs
All Indian Railways

Sub: Streamlining Signalling gears description writing and painting
Ref: This office L.No. 2021/Sig/21/Safety Performance dtd. 28.06.2023.

Vide reference above, Zonal railways were advised for checking and verification of Signalling gear details (writing work details of Signaling gears at installations as per as built drawings). However, it has been observed that though compliance of the same is being done by Zonal Railways, different Zones are using varying practices instead of permanent lettering and painting of details.

In order to streamline the practices and uniformity across various Zones, a committee comprising following is constituted:

S.N.	Name	Designation	Role
1.	Sh.Rajmal Khoiwal	CSE/NWR	Convener
2.	Sh.Rakesh Kumar	CSE/WCR	Member
3.	Sh.A.K. Saini	Dy.CSTE/C/JHS/NCR	Member
4.	Sh.P.V.N.M.Prasad	Dy.CSTE/Proj/SC/SCR	Member
5.	Sh.Vikas Chotia	DyCSTE/C/ADI,WR	Member
6.	Sh.Ankit Yadav	DSTE/SRC/SER	Member

The terms of reference will be as under:

1. Study various practices being followed by Zonal Railways on the subject matter and in other departments.
2. Indentify the best practices which can be followed over IR for uniformity.
3. Practices in case of wago terminals.
4. Wiring code and termination such as provision of ferrules, tags, color coding etc.

The committee should submit report within 15 days.

This is issued with the approval of Member/Infra.
