GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.: 2016/M (W)/814/7 New Delhi, dated: 16/02/2016

The Chief Mechanical Engineer
Northern Railway, New Delhi
North East Frontier Railway, Guwahati
Southern Railway, Chennai

Sub : POH of DEMU & SPART/SPARME : Nomination of additional workshops

The proposal for nomination of more workshops to carry out POH of DEMU, SPART and SPARME has been under consideration at Railway Board to ensure that POH of these stocks are done at the nearest possible maintenance establishments with focused attention on quality, reliability, cycle times and maintenance costs.

It has been decided that in addition to the presently identified workshops (at which targets of POH of DEMU, SPART/SPARME have been allotted in POH Programme of 2016 – 17), the following workshops should develop facilities to undertake these POH activities:

DEMU : Golden Rock (SR)

SPART/SPARME : Charbagh (NR), New Bongaigaon (NFR)

The concerned zonal railways must develop facilities for undertaking POH of these stocks in the next one year after which POH targets of these stocks can be allotted to them. Zone wise revised linkages for SPART/SPARME for POH shall be advised in due course.

This has the approval of Board (MM).
