Government of India (Bharat Sarkar)
Ministry of Railways (Rail Mantralaya)
Railway Board.

No. 2010/TG.III/60044 New Delhi, dt. 9.9.2011

The Chief Commercial Managers,
All Indian Railways.

Sub : Upgradation of Infrastructure in Major Static Units – Cell Kitchens, Refreshment Rooms, Jan Ahaars etc.

As per directives in the Catering Policy, 2010, all Mobile Units will pick-up food from Base Kitchen. Where Mega/Medium Base Kitchens are not available, at the meal pick up points, this would be done from other Major Static Units viz., Cell Kitchens, Refreshment Rooms or Jan Ahaars.

With the issue of a new policy on Train Side Vending (TSV), there shall now be an additional requirement of a large number of trains in which the TSV service providers will also require to pick-up meals either from Mega/Medium Base Kitchens, or from the Major Static Units (Cell Kitchens, Refreshment Rooms or Jan Ahaars). This will increase the workload of such Major Static Units.

It would, therefore, be desirable that the Commercial Officers give a thrust to the upgradation and improvement in infrastructure especially of all the involved Major Static Units wherever required. This should be done in consultation with the licensees.

As desired by the Board(MT/CRB), immediate action may be initiated on all Zonal Railways. Feed back on the Action Plan made out in regard to the above may be indicated.
