March 21, 2011

Dear Secretary,

Instances have come to the notice of the Government where land in possession and control of Government / Government controlled entities is sought to be alienated through means such as sale, lease and / or licence. It has been observed that the value of land has increased tremendously, especially during last one or two decades.

2. A policy with regard to transfer or alienation of land held by the Government or statutory authorities etc. is being framed by the Government. Prime Minister has approved that in the meanwhile, all the Ministries / Departments would seek specific approval of the Cabinet in each case of sale or long term lease of land belonging to the Government or Government controlled-statutory authorities.

With regards,

Yours sincerely,

(Ajit Seth)
