The letter is under issue.

S.No 16

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.2011/Proj/MoU/31/1 New Delhi, Date: 19.02.2015

General Manager
Metro Railway
Kolkkata

Sub: Certification of Metro Railways

Ref: This office letter of even number dated 16.11.2012 and 22.01.02013

In continuation to this office letters under reference, some modifications have been in the document for "Procedure for safety Certification and technical clearance of Metro systems" (Metro Manual). Modifications are as per the report of the Sub-committee on Standardisation and Indigenisation of Metro Railway Sub-system for Track Structure/Bridges/Tunnels.

Following changes have been made in the Metro Manual

i) Notes regarding DBR and RSI guidelines inserted in the manual below Para 5.5 pertaining to Bridges and Structures . Model DBR and RSI guidelines have been uploaded on website.

ii) Annexure C-1 (Track Structure) and C-2 (Fastening System) have been revised.

Metro Manual is uploaded on the website of Research, Design & Standards Organisation (RDSO), Lucknow (Urban Transport & High Speed Directorate). http://www.rdso.indianrailways.gov.in →Directorate →Urban Transport and High Speed→ Technical Clearance and Certification of Metro.

This is for information and necessary action to implement from immediate effect.

19.02.15
