Dated: 26.2.1974.

D.O.No. E(LR) 74 LRI-1

My dear Jain,

Sub: Rest Houses/Rooms accommodation for the Members of the Corporate Enterprise Group.

...

Kindly refer to your d.o. letter No.766-W/C/7 Pt.III dated 22nd January, 1974 on the above noted subject.

Rest Houses are primarily intended for use of the Railway Officers on duty. However, in special cases non official including M.P.s when their visits are connected with Railway working could be permitted to stay in Railway Rest Houses. As regards representatives of organised labour, accommodation is provided free of charge in the retiring rooms for attending P. N. M. meetings in terms of Board's letter No. E(L)70 LRI-28 dated 23rd March, 1971. Board have not issued any general instructions for occupation of Railway Rest Houses by organised labour attending PNM meeting and for their organisational work.

The question of giving Railway Rest Houses free of charge to representatives of organised labour either for meeting connected with Railway or for the meeting for their organisational work does not arise.

Yours sincerely,

Sd/-
(K. N. Narayanaswamy)

Shri P.D. Jain,
Addl.Chief Engineer(G),
Northern Railway,
Baroda House, N.Delhi.
