D.O.No.2017/M(W)/814/81

New Delhi, 02.11.2017

Dear

Sub: Plan for POH of LHB coaches.

****

You would be aware, that the production of ICF design mainline coaches will be discontinued from 2018-19 onwards and production of LHB design mainline coaches will be commensurately stepped up, with a target of replacing all ICF design coaches by LHB, or other modern coaches, within the next 10 years.

2. Whereas the need for developing facilities for LHB coaches has been emphasized time and again in the past, accelerated induction of these coaches now planned would require the workshops to quickly gear up for increased arisings in the next few years. It is suggested that an action plan be drawn up for setting up/augmenting facilities for LHB POH, under your jurisdictions. Any inputs required from Railway Board in terms of sanction of infrastructure/M&P may be proposed for inclusion under the concerned Plan Head.

3. I look forward to an early and comprehensive report from you in this regard.

With best wishes.

Yours sincerely,

(B.K.Agrawal)
