A meeting of Technology Mission for Indian Railways(TMIR) was held at Railway Board on 7.8.2019. ED/E&R welcomed Chairman/TMIR and DG/RDSO who has been nominated as Co-Chairman of TMIR by Ministry of Railways.

Discussions

2. Chairman, TMIR briefed the members about the background and vision of TMIR and way forward. He also briefed about the progress in respect of approved project of Industry 4.0 at MCF/Raebareli.

3. Following decisions were taken in the meeting:

3.1 Concerned EDs of RDSO to make presentation on the following three earlier approved projects in the next meeting of MICC of TMIR to be held on 18.09.2019 at RDSO Lucknow:

a) Design methodology& software development for Railway Formation Design
b) Design of Advanced Performance Next Generation Freight Bogie Design
c) Development of capability of Testing of High Speed Rolling Stock.

3.2 Proposals for new projects to be taken up under TMIR may be invited from Railway Board Directorates, RDSO and CTIs. These proposals may be discussed in the next meeting of MICC.
