Sub.: Procedure to deal with confidential issues relating to Vigilance.

A matter has been brought to the notice of Railway Board that a Confidential/Secret letter of an investigation agency has been leaked out and is being misused by a private individual. Concerned investigation agency has taken a very serious note of this.

Confidentiality includes obligations to protect information against unauthorized access, use, disclosure, etc.. Therefore, it needs to be ensured that the confidentiality of records of vigilance and from other investigation agencies remain protected.

Such documents should be forwarded to offices outside Vigilance only if warranted/authorized and with adequate safeguards.

This issues with the approval of PED/Vigilance.
