Sub: Identification of rakes for random weighment that had undergone load adjustment
Ref: (i) Rates Circular No.39 of 2012 dt.26.12.2012
(ii) Rates Master Circular/Weighment/2014/0

Please refer to ER's letter No.C.368/0/Vol-XII/BG(WODC) dt.28.08.2018 wherein Railway has suggested that in case of wagon that had undergone load adjustment, the power of identification of rakes for random weighment may be delegated from CCM(*in consultation with COM*) to DRM/ADRM.

In this regard, extant guidelines are reproduced below:

"The wagon(s) that had undergone load adjustment should be randomly re-weighed. The identification of rakes for random weighment should be done by CCM in consulation with COM. If overloading is detected in the wagon(s) that had undergone load adjustment, Punitive Charge of one lakh rupees per wagon shall be levied".

The above mentioned guidelines holds good and the same is reiterated for compliance.
