GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No. 2004/Track-III/TK/14 Vol.II **New Delhi, Dtd. 11.12.2024**

Principal Chief Engineers,
All Indian Railways.

Sub: Provision of Dead Man's Handle (DMH)/ Vigilance Control Device (VCD) in track machines on IR.

****

It is brought out to your notice that the provisions of Vigilance Control Device has been included in all specifications of track machines which were revised in last 03 years. Also Track Machines are either being introduced with provision of VCD or Track Machines introduced recently without VCD, are being retrofitted with it as per the directions of CCRS/Rly Bd.

In light of above, Zonal Railways may please ensure for providing DMH/VCD in those track machines which do not have DMH/VCD and are already in operation.

A compliance report in this regard may be sent to this office.
