Sub: "All India Safety Seminar of Trackmen" being conducted by AIRF on 21st December,2018 at New Delhi.

Ref: Board's Letter of even no. dated 07/12/2018.

****

In partial modification of Board's letter cited above, it is advised that while sparing of Trackmen for above event, Railways should ensure that safety related jobs performed by Trackmen particularly during peak winter period such as intense maintenance work of track, cold weather night patrolling and other day-to-day safety related works are **not** to be compromised. Need of administrative exigencies and smooth operation of trains should be of utmost importance.

This has approval of Board (ME&MS).
