Sub: Surveys announced in Railway Budget 2014-15.

Twenty-eight surveys for New Line, Gauge Conversion and Doubling have been announced in the Railway Budget Speech of 2014-15. Hon'ble MR has desired that the surveys announced in the Budget Speech should be completed expeditiously by March, 2015. Progress made on the Budget Pronouncements is being reviewed on a regular basis by Hon'ble MR himself. Therefore, Railways should take all necessary steps to adhere to the target and send a monthly report on progress made on these surveys. Out of the 28 surveys proposed in Budget 2014-15, 18 surveys are already part of Blue Book 2014-15 and sanction letter of remaining 10 surveys has been uploaded on the Website of Works Dte.
