No.TC-I/2019/108/2 New Delhi, dt. 15.11.2019

Chief Commercial Manager(FM)
ER

Sub: Acceptance of weighment witnessed by KOPT staff for preparation of RR
Ref: (i)Rates Master Circular/Provision of Weighbridge/2019/0
(ii) Rates Master Circular/Weighment/2019/0

Please refer to ER's letter No.C.558/Vol.V/BG. dt.10.10.2019 seeking guidance regarding acceptance of weighment witnessed by KOPT staff for preparation of Railway Receipt(RR) to be weighed at EIMWB inside KOPT terminal.

It is seen that there is a proposal to install a new weighbridge inside KOPT terminal. For the guidance of Railway, attention is invited to para 4.1.5 of Rates Master Circular under reference (i), which stipulates – "*The weighbridge will have to be linked with FOIS at the cost of party so that Railway Receipt(RR) is issued based on actual weighment*". Further, Para 5.0 of Rates Master Circular under reference (ii) stipulates the procedure to capture weighment details in TMS/FOIS after integration of weighbridge, of which sub-para 1 says - "*The weighment details of wagon(s) recorded by weighbridge shall be captured and digitally transferred in TMS/FOIS without any manual intervention.*"

In view of above, Railway staff would not be required to witness weighment in case of EIMWB integrated with FOIS; except in cases where load adjustment is carried out at this point itself.
