Sub:- **Vigilance investigation regarding works being executed by PSUs**

The issue of investigation by Zonal Vigilance Units of works being executed by PSUs has been under consideration of Vigilance Directorate. This issue has been raised by two PSUs also. The issue has been examined and it has been decided that the Zonal Railways may keep the following aspects in view while dealing with above subject matter :-

(i) As the works are being executed for Indian Railways, Railway Vigilance have the authority to investigate the matter related to complaints.

(ii) Considering the fact that there is a separate vigilance organization for each PSU, there appears no need for carrying out preventive checks/CTE type inspection/investigation of routine complaints. However, in cases where complaint is of serious nature and requires immediate investigations, zonal vigilance may undertake the investigation after taking approval of Adviser/Vigilance, Railway Board.
