GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.2012/Elect.(TRS)/113/4 **New Delhi, 08th November' 2012**

General Managers (Elect.)
All Indian Railways

SUB : Indicative Accident cases (under category- "reporting to Railway") on Electrical account.

REF: This office letter of even no. dated 29.10.2012

With reference letter referred above, the reply of Zonal Raiwlays of root cause analysis of accident cases is still awaited.

There are 54 accident cases (under category - reporting to Railway) in 2012-13 (From 01.04.2012 ti 07.11.2012) have reported on electrical account. Details of all the cases are available on website **'sims.railnet.gov.in'** and link is also available on **'elocos.railnet.gov.in'** website under Safety & Operation – Accidents tab .

In addition to major consequential train accidents, these cases are also monitored at the highest level in Railway Board during various safety reviews and Board meetings, all Zonal Railways are therefore advised to check details of cases pertaining to electrical periodically for its correctness and update relevant data in association with Safety organisation of concerned Railways.
