MINISTRY OF RAILWAYS/ रेल मंत्रालय
(RAILWAY BOARD/ रेलवे बोर्ड)

No.2013/TK-II/22/7/2(Gen. Policy) New Delhi dt.06.01.16

o/c

Principal Chief Engineer,
All Zonal Railways.

Chief Administrative Officers,
All Zonal Railways.

Sub:-Uploading of P.O. details on "Track Management System(TMS)".

It has been observed that despite repeated instructions, the relevant information pertaining to P.Os of track fittings/items is not being uploaded by Railways in prescribed section of "TMS" website, as soon as POs are issued.

"TMS" has been developed as an important tool for online monitoring of many track related activities including inventory management. Therefore, for its effective use, all PCEs/CAOs are directed to ensure that all relevant details of POs of track fittings/items are uploaded on TMS website, before issuing the hardcopy of PO. It will be the personal responsibility of CE/TP or concerned SAG officer handling procurement to ensure that P.O. detail are uploaded on the TMS.

Above issues with the approval of Board(AM/CE).
