No. 70/WDO/ORI/RO/1/Vol.II New Delhi, dated 9th September, 2011

The General Managers,
All Indian Railways.

Sub : Sanction of Railway Board for opening of newly completed/commissioned Railways.

In terms of Rule-21 of the "Railways (Opening For Public Carriage of Passengers) (Amendment) Rules 2005", sanctioning of opening of Railway is to be done by Central Government (Railway Board). The extract of the Rule is as under :

"(1) The Central Government may, after considering the Inspection Report of the Commissioner, confirm, modify or cancel the sanction given under Rule 22(1) subject to such conditions, alterations or relaxations, as may be considered necessary.

(2) While confirming the opening of any Railway, the Central Government shall give due consideration to the suggestions or conditions subject to which the Commissioner has opened the Railway.

(3) Where the Commissioner has not recommended the opening of any Railway or has proposed to cancel the sanction already given, the Central Government shall confirm or modify the recommendation of Commissioner as necessary and shall direct the Railway Administration concerned to remove the defects or shortcomings reported by the Commissioner."

2. It has been observed by Board that although many projects of New Lines, Gauge Conversion, Doubling and Traffic Facility Works are getting completed every year on various Zonal Railways and opened also for passenger train operation after CRS sanction; but the mandatory sanction of Railway Board for opening of these sections.

3. You are, therefore, requested to kindly review all such completed and opened works for which sanction of Railway Board has so far not been initiated or concluded.

4. The list of such works reportedly completed/commissioned during last three years is enclosed herewith for ready reference. Current status of processing for Board's sanction on the items of list and other completed works, if any, may please be advised to Railway Board, latest by 30th September, 2011.
