No. 2016-B-330 Pt

Dated: 18.09.2017

Dear Shri Sharma,

Sub: Sundry other earnings of Indian Railways.

The Budget Estimates for Sundry earnings in the year 2017-18 are ₹14,123 crores, a growth of 36% on the previous year's achievement. The performance of Railways to end of August 2017 vis-à-vis the target is a cause of concern. There is a 15% drop in Sundry earnings in the accounts of August 2017 when compared with the previous year's corresponding period.

The Railways will need to step up efforts to realize Sundry other Earnings from various sources. The billing of items must be completed immediately and realization must be followed up vigorously. It is necessary that all other receipts that form part of Sundry other Earnings need to be reviewed and monitored for realization of those earnings. Similarly, attention would need to be focused on review of unclaimed balances under various deposit and expenditure heads for crediting them into Sundry other Earnings, as per extant rules.

I urge you to pursue the realization of Sundry other Earnings to augment internal resource generation and financial position of Indian Railways.

With regards,

Yours sincerely,

No. 2016-B-330 Pt

Dated: 18.09.2017

Dear Shri Mani,

Sub: Sundry other earnings of Indian Railways.

The Budget Estimates for Sundry earnings in the year 2017-18 are ₹14,123 crores, a growth of 36% on the previous year's achievement. The performance of Railways to end of August 2017 vis-à-vis the target is a cause of concern. There is a 15% drop in Sundry earnings in the accounts of August 2017 when compared with the previous year's corresponding period.

The Railways will need to step up efforts to realize Sundry other Earnings from various sources. The billing of items must be completed immediately and realization must be followed up vigorously. It is necessary that all other receipts that form part of Sundry other Earnings need to be reviewed and monitored for realization of those earnings. Similarly, attention would need to be focused on review of unclaimed balances under various deposit and expenditure heads for crediting them into Sundry other Earnings, as per extant rules.

I urge you to pursue the realization of Sundry other Earnings to augment internal resource generation and financial position of Indian Railways.

With regards,

Yours sincerely,
