Subject: Payment of salaries through Banks

Attention is invited to Board's letter of even number dated 16/2/1989 and 21/11/1989 regarding the scheme for payment of salaries to officers and other staff through Banks. From the reports received it is observed that the progress of implementation of the scheme is rather unsatisfactory. It is felt that through a concerted drive for motivating the employees to opt for the scheme on one hand and better coordination with banks for eliminating delays in credit of salaries and opening of branches of extension counters at least for main payment dates etc. more headway could be made to relieve the presure on Cash & Pay Organisation. It is reiterated that taking all things into consideration this scheme has to be implemented and Railways/Units should take adequate steps to over-come the problem. It is, therefore, suggested that the progress should be continuously reviewed by the CPO/FA&CAO jointly to consider steps to remove bottlenecks and ensure maximum participation. Further, to enable Board to appreciate the action taken, a quarterly report in the proforma enclosed should be sent to Board by the end of the month following each quarter. The first report for quarter ending 30/9/1990 may however, be sent by 30/11/1990.

Please acknowledge receipt.
