No. 2004/C&IS/PMS/Prog **New Delhi, dated 10 .12.2007.**

The General Manager,

Sub:- Procurement of equipments pertaining to Parcel Management System under revenue head.

****

PMS had been sanctioned on DLI-HWH corridor as a pilot project. The project has since been commissioned and is functional as per the objectives proposed. However, some difficulties are being experienced in procurement of items required for efficient functioning of the system on a day to day basis because Railways have not been procuring items which are to be booked to revenue. It has, therefore, been decided that the undermentioned components may be procured locally by Railways and charged to revenue:-

(i) Bar code stickers
(ii) PW Bill stationery
(iii) Barcode and PW bill printers
(iv) Electronic weighing machines

Further action may please be taken accordingly.
