**Minutes of the Meeting held with Chairman/MICC held on 18.11.2020 at RDSO**

**********

**Present:**

1. Prof. N.S.Vyas, Chairman-MICC, IIT /Kanpur
2. Shri S.K.Singh, Member MICC, ED/Research/RDSO
3. Shri Sanjeev Garg, Director Research Mechanical RDSO
4. Shri S.K. Bauddha Jt. Director Research Mechanical RDSO

- During the meeting Chairman MICC reviewed the progress of the MICC approved projects.
- Sanction letters for the following three MICC approved projects were issued by Chairman MICC (TMIR) to trigger the initiation of these MICC approved projects and enable further processing for funds both from Ministry of Railways and other consortium Ministries

    1. Development of Model and Design Methodology for Railway Formation and Validation using Full Scale Model Study-(Rs. 5.10 Cr.)
    2. Development of Methodology and Specifications for Utilization of Steel Slag as Ballast Material in Railway Track- (Rs. 2.42 Cr.)
    3. Development of IMW with complete DAQ & Tailor made software to analyse the FEM results to locate critical locations on wheel for instrumentation-(Rs.13.95 Cr.)

- Chairman MICC (TMIR) desired that the funding of the 2 MICC approved projects (Listed at 1 & 2) be done by RDSO (MoR). MICC would approach other consortium ministry for funding of 3rd MICC approved project. In this matter, it was decided to send the communication to the Board.
- Co-Chairman MICC (DG/RDSO) was updated by Chairman MICC about the progress and issue of sanction letters. Further roadmap, involving funding of three MICC sanctioned projects was also discussed by Chairman MICC, Co-Chairman MICC and ED/Research/RDSO.

24/11/2020

(S.K.Singh)
ED (Research)/RDSO
& Member MICC
