(रेलवे बोर्ड) (Railway Board)

No. 2013/CE-I/Trg./7/IRICEN **New Delhi, Dated 5th November, 2014**

The Director,
IRICEN,
Pune.

Sub : Monitoring & review of training curriculum of IRSE Probationers.

During his visit of IRICEN on 31st Oct. - 1st Nov. '14, it has been observed by Member Engineering that training process including its content for the IRSE Probationers is not being given due attention.

It has, therefore, been decided by Board (ME) that a schedule be made for visit of the IRSE Probationers to Board in groups of 3 to 4 officers every fortnight for review by Board w.r.t. training being imparted to them by Training Institutes, Zonal Railways etc. Training review will be coordinated by EDCE(G) and Member Engineering will also interact with Probationers

All PCEs & CAOs(C) are also advised to give personal attention to the training schedule and training performance of the Probationers, so that on getting posting after probation period, these young officers are properly equipped with complete knowledge related to field working. Training content should be structured as a complete package comprising of theory, planning, construction and maintenance for each subject.

Director/IRICEN should, therefore, send latest by 20th November, 2014 the training schedule for Probationers for fortnight review by Board.

This issues with the approval of Board (ME).
