Engg.Code C/S No.42 dated. 14.11.2007

Replace existing para 1826(iv) by the following:

(iv) Overhead Electric Traction Equipment

a) For all existing Private/Assisted Sidings, if the rate of return(RoR) is at least 14% on traffic offered in the previous 24 months, the entire cost of electrification shall be borne by the Railways. If the RoR is less than 14%, the cost of electrification shall be borne by the siding owner.

b) In all cases of existing as well as new sidings, the cost of maintenance of OHE(Over Head Equipment) shall be borne by the Railways.

c) In case of all new sidings, in electrified territory or territory approved for electrification, the entire cost of electrification of the siding shall be borne by the siding owner. This will also apply to the military sidings.
