New Delhi, Dated 17.03.2021

General Manager
All Zonal Railways

Sub: Implementation of Revised Version of IR-RLCAS (IR-Railway Line Crossing Approval System) for Wayleave Easement Rights over all Zonal Railways

1. **IR-RLCAS (IR-Railway Line Crossing Approval System)**, a web enabled IT application, for wayleave easement rights has been revamped. This revamped *e*-application covers complete online process for consideration of wayleave proposals starting from submission of application by a party to the final approval or rejection of the proposal. The *e*-application also has facility for online payment of required fee by the party.

2. The *e*-application has been hosted on URL **https://ircep.gov.in/RLCAS.**

3. Admin & Co-Admin Users for Zonal HQs and Divisions have been created as given below. These Admin & Co-Admin Users can create further User IDs as per requirement.

A) Admin Users for Divisions: Following users have been created as Administrator for each **Division** of Indian Railways:

S. No.	Login-ID (Pattern)	Example for "DLI"	Designation	Role	Default Password (to be changed after first login)
1	landsa<Div_code>	landsadli	Land Security Admin (DLI)	Security Admin Div	9landsa<Div_code> **Example for DLI:**9landsadli
2	landcosa<Div_code>	landcosadli	Land Co Security Admin (DLI)	Co Security Admin Div	9landcosadli **Example for DLI:**9landcosadli

B) Admin Users for Zonal Headquarters (HQs): Following users have been created as Administrator for each Zonal Headquarter (HQ) of Indian Railways:

S. No.	Login-ID (Pattern)	Example for "NR"	Designation	Role	Password
1	landsa<Rly_Code>	landsanr	Land Security Admin (NR)	Security Admin Rly	9landsa<Rly_Code> **Example for DLI:**9landsanr
2	landcosa<Rly_Code>	landcosanr	Land Co Security Admin (NR)	Co Security Admin Rly	9landcosa<Rly_Code> **Example for DLI:**9landcosanr

4. The detailed methodology for Party Signup is available in *HELP section* of above *e*-application. Further Flow Chart of the Module is also available in *FAQ & HELP* section.

5. Final Agreement will however be signed in physical copy only. However, provision has been made to upload scanned signed copy of Agreement in the *e*-application.

6. Provision has also been made in *e*-application to upload data of all existing manually approved wayleave cases.

7. For cases available in the older version of this *e*-application, monitoring of cases can still be done by Applicants. Link for the same has been provided on the login page of this revamped *e*-application.

8. It has been decided by Board (MI, MF) to implement the above *e*-application over all Zonal Railways w.e.f. issue of this letter. Now onwards, **in no case, wayleave cases will be handled manually and all cases of wayleave would be dealt only through above** *e*-application. Further, renewal of existing cases will also be processed only through this *e*-application.

9. This issues with the concurrence of Finance Directorate of Ministry of Railways.
