Subject :- Review of Civil Defence Act, Rules and Regulations, 1968

Sir,

1. During a review meeting at MHA, it was decided that Civil Defence being an important component for war time preparation of civil administration, passive defence and protection of civilians in the times of war needs to be updated. The present Civil Defence Act dates back to 1968 with an amendment in 2010. Therefore, a comprehensive review of the provisions of Civil Defence Act, Rules and Regulations, 1968 may be carried out and necessary provisions for effective implementation of Civil Defence measures in the States/UTs may be incorporated.

2. In view of above, it is requested that necessary directions to the concerned officials may be given to provide inputs/comments for review of Civil Defence Act, Rules and Regulations, 1968. It is also requested that the inputs/comments from your State/UTs may reach this office latest by 15 August 2022.

3. This issues with the approval of Director General.

Yours faithfully
