GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No. 2012/CE-II/TK/Trackmen Report New Delhi, dt. /02/13.

Principal Chief Engineers,
All Zonal Railways

Sub: **Cleaning of Tracks.**
Ref: Rly. Bd's letter of even no.dated, 8/10/12.

Please refer to Board's letter under reference above wherein under para 11.2(d)(i) of report is as under:

"Adequate mechanism may be deployed for cleaning of tracks in suburban areas, so that Track Maintainers may work properly for safety of tracks."

It was also to mentioned that the drainage of tracks is very vital issue for its satisfactory behaviour. The drains should be repaired wherever needed so that they can be cleaned properly and flow of water is not hindered. It is necessary to have a system to maintain cleaniness of track so that the trackmen/track machines are able to attend to the track to maintain it within safety limits. You are requested to place in position cleanliness system for the locations in suburban areas requiring cleanliness.

In view of above, action taken in this regard may please be sent for onward submission of Board.
