Government of India
Ministry of Railways
(Railway Board)

o.64/WDO/ODC/6. New Delhi,dated 11/12.7.1967.

e General Managers,
l Indian Railways.

Sub:- Movement of bulky consignments exceeding maximum moving dimensions.

It will be recalled that Under Board's secret letter No.62/WDO/ODC/1 dated 1/12/1962 powers were delegated to Chief Engineers to sanction the movement of overdimensional consignments on his own railway even where the net clearance was less than 3". This power was to be exercised by the Chief Engineer personally and was not to be delegated to any other officer.

Board have since then further reconsidered the matter and have no objection to Chief Engineer delegating these powers to their Dy.Chief Engineer (Bridges) by name, where considered necessary. These powers ~~xxxx~~ would not however be delegated to any other officer.
