Sub. : Guidelines for setting up of rail-side warehousing facilities though public-private partnership.

@SNo.-1/1

Ref. : Board's letter No. 2004/TC(FM)/23/2 Pt. dt. 7.04.05.

In continuation of above letter, it is hereby informed that the Scheme for development of Rail Side Warehousing with public-private partnership is presently being revised.

Accordingly, Board has desired that zonal railways should observe following norms while processing proposals for setting up of rail-side warehousing facilities :

(i) Zonal Railway may advertise - calling for expression of interest from interested private players.

(ii) Zonal Railways along with private players may examine the business potentiality and operational feasibility of different locations.

(iii) After identification and finalization of such locations proposals should be kept in abeyance.

(iv) Tenders for development of such terminals should only be floated after revised instructions regarding the scheme are issued by Railway Board.

Please issue necessary correction slip to all concerned accordingly. These instructions will come into force with immediate effect.
