SW/27

भारत सरकार Government Of India
रेल मंत्रालय Ministry Of Railways
(रेलवे बोर्ड) (Railway Board)

No. 2012/CE-1/SP/1

New Delhi, Dated 22.06.12

The General Manager
East Coast Railway
Bhubaneswar.

Sub : Overhead charges for private siding.

Ref : East Coast Railway's letter no. W6/250/Pt.I/2784, dated 07.04.12.

The issues mentioned by East Coast Railway in their letter under reference have been examined in Board's office and it is advised that the recently issued Freight Marketing Policy Circular No. 01 of 2012, vide letter no. 99/TC(FM)/26/1/Pt.-II, dated 30.01.2012, is quite comprehensive and all the earlier instructions on the subject have been superseded through this circular of 30.01.12. Railway should take necessary action accordingly.

However, the points raised by East Coast Railway are clarified as under :

A. As per Para 3 of FMPC No. 01 of 2012, the charges, as to be taken from the Party for the deposit work, have been prescribed in terms of provisions of Engineering Code only and are with respective applicability for the deposit work, as to be executed by Railways, by the Party under Railway's supervision or by the Party through Railway's approved consultants and there is no ambiguity w.r.t. provisions of Engineering Code. However, these charges shall be collected from the party in stages as mentioned in Engineering Code.

B. Para 3 of FMPC No. 01 of 2012 is quite clear. Railway may decide the Executing Agency for the deposit work alongwith its supervision depending on nature of project. Accordingly, applicability of charges as prescribed therein may be advised to the party.

C. No comments are needed and Railway may decide, as the situation warrants in the particular case.

D. Necessary action is being taken by Board.

E. The stages mentioned in the Engineering Code for collection of charges from the party need to be followed.

This disposes of the reference of East Coast Railway on the subject.

This issues with the consent of Freight Marketing, Civil Engineering and Finance Directorates of Ministry of Railways.
