(रेलवे बोर्ड) (Railway Board)

No. 2012/CE-I/TRG/4/RSC

New Delhi, Dated 19th July 2012

**The Director General,**
Railway Staff College,
Vadodara.

**Sub** : Maintenance of infrastructure and planning/sanctioning of new works for Railway Staff College, Vadodara.

**Ref** : (i) D.O. letter from DG/RSC to CRB vide no. RSC/DG/Misc, dated 05/03/12.
(ii) Tour Notes of FC/Railway Board vide no. 2012/FC/TP/6, dated 27.04.12.

With reference to above, the existing practices regarding maintenance of infrastructure and planning/sanctioning of new works for Railway Staff College, Vadodara have been reviewed and the following decisions have been taken by Board :

1. **Maintenance Works** -

1.1 Vadodara Division of Western Railway shall fix a separate Zonal Contract for maintenance of all assets in the campus of Railway Staff College. Priority of maintenance activities shall be decided by DG/RSC or his representative and execution of the contract shall continue to be done by Vadodara Division.

1.2 No additional sanction of posts at RSC/Vadodara would be required for the purpose since it would be managed by transfer of post from Western Railway. An SSE/Works shall be posted by Vadodara Division exclusively for maintenance activities in Railway Staff College. The day-to-day administrative control, like leave etc. shall be with DG/RSC and the technical control shall remain with Sr.DEN/C, Vadodara Division.

2. **Sanctioning of New Works & Fund Allotment Thereto** :

2.1 It has been observed that although the works are already sanctioned for Railway Staff College, requirement of funds etc. are normally lost sight of by Western Railway due to which execution of already sanctioned works gets abnormally delayed. Therefore, following system has been introduced -

(i) DG/RSC has been allotted login ID on Railway Board's web application - 'IRPSM' (Indian Railways Projects Sanctions & Management). Requirement of funds shall be projected by DG/RSC through GM/WR on 'IRPSM' for all the 'in-progress' works, related to RSC.

(ii) For small value miscellaneous types of works costing upto Rs. 15 lac each and M&P items costing upto Rs. 10 lac each, required to be sanctioned for the training needs in Railway Staff College, DG/RSC has been made sanctioning authority against the lump sum provisions for Plan Heads 64 (Other Specified Works), 52 (Staff Amenities) and 41 (Machinery & Plant) allotted by Board to WR and 5% of the same allotted to RSC automatically through 'IRPSM'.

(iii) Thus, DG/RSC shall also be one sanctioning entity of Western Railway and he will be able to sanction 'New Works' within his powers of sanctioning indicated in Para 2.1(ii) above as well as allot outlay to various 'Works in Progress' concerning to RSC.

(iv) However, the works sanctioned by DG/RSC will continue to be executed by the executing agencies of Western Railway, as decided by GM/WR.

2.2 With this arrangement, while funds will be exclusively available for the sanctioned works of RSC/Vadodara through projection of the same by DG/RSC and fund against lumpsum provisions will be available with DG/RSC for sanctioning new works for the training needs in RSC, as mentioned in Para 2.1(ii) above; there will not be any problem in progressing the works by GM/WR's executing teams accordingly.

3. **Accounting Unit** will, however, continue to be same as existing, i.e. FA&CAO/WR for all the above-mentioned activities.

This issues with the concurrence of Finance Directorate of the Ministry of Railways.
