Southern Railway, Chennai.
South Eastern Railway, Kolkata.
South Western Railway, Hubli.
West Central Railway, Jabalpur

**Subject:- Linking arrival/departure of trains from data logger with COA.**

**Ref :- Rly. Board's letter no.- 2017/Sig/SGF/12(Data Logger) Dated 14.11.2011.**

Reference above, zonal railways were instructed to link arrival/departure of trains from data loggers with Control Office Applications (COA) at one terminal and one interchange points on each zonal railway. However, it is observed that at most of the locations either system is made inoperative or data is not being fed through this system. The tentative current status of linking arrival/departure of trains from data logger with COA is attached at Annexure – I. It is also observed that due to operation of this system punctuality may drop.

The system of linking arrival/departure of trains from data logger with COA may be made operative including start of feeding data with immediate effect without fear of drop in punctuality. Action taken date with location may be informed to this office by 28.12.2017.

The above is issued with the approval of Board (CRB).

DA: As above.
