GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
RAILWAY BOARD

No.2018/H/4/1/DP/Misc.

New Delhi, Dated-21.10.2019

Principal Chief Materials Manager,
South Central Railway,
Secunderabad.

Sub:- List of registered / approved firms for supply of medicines- regarding.

Ref:- S. C. Railway's letter No.PT.82Med.Policy dated- 15.10.2019.

****

In this context, it is mentioned that list of all the approved / registered firms alongwith their product list has been upoloaded on Health Directorate/ Railway Board's website. All the registered firms are eligible for supply of their products contained in the uploaded product list.

Further, all the registered firms are eligible for bidding in tender process for supply of their products. Therefore, all the registered firms, whose product list has been uploaded on web-site, be given tender inquiries duly stipulating that the firms should submit their quotation only for those product(s) that are contained in the uploaded product list. Once the tendering process is complete, the zone should verifiy if the quoted product is available in the product of L-1 firm and if included, order may be placed in the firm.

This has the approval of Director General/ RHS.

(R.S. Shukla) 21/10
Joint Director, Health
Railway Board.

Copy to:(i) PCMMs of All Indian Railways, including PUs, RDSO & NAIR for information and following similar action in their Zones/ PUs.

(ii) PCMD/ CMOs of All Indian Railways, including PUs, RDSO & NAIR for information and following similar action in their Zones/ PUs.

No.PT.82.Med.Policy

Dt.: 15.10.2019

Dear Dr. Pradeep Kumarji,

DG/RHS 16/10/19
EDH/G
17/10/19

Sub : List of registered / approved firms for medicines – Reg.
Ref : This office DO letter of even number dt.21.8.19.

******

1. With reference to the above DO letter (copy enclosed), it was requested to provide a registered / approved vendor list product-wise in searchable pdf mode as done by RDSO and other PUs of the Railway for ease of procurement.

2. It is further stressed that while reviewing the retendered cases, it is seen that as vendor list is not in searchable mode, it becomes difficult to communicate specific firm from where the offer can be received and a lot of cases, especially small value cases are getting retendered and purchase of medicines is getting delayed.

3. The list of approved sources - medicine-wise, will help in approaching the specific firm for specific medicine through system emails as well as follow ups and thus offer can be received.

4. In this regard, it is suggested that CRIS may develop an application for applying for registration by firms wherein they may submit individual medicines for which they are keen to supply and these information may be managed through database system. After approval of registration, firm may be registered medicine-wise which may be made available online like vendor directory of other vendors approving agencies. This will be a great help and will enhance the effectiveness and efficiency of medicine procurement system.

5. As such, it is once again requested to provide a registered / approved vendor list product-wise in searchable pdf mode.

With warm regards.

Yours sincerely,

15/10/19

(V.R.MISHRA)

Dr. H. Pradeep Kumar, DG/RHS
